JEWELLERY QUARTER BID

Life in the Quarter

Discover the *Historic Quarter*

Birmingham's famous Jewellery Quarter is completely unique – there is no other historic townscape like it in the world. The heritage, particularly its listed buildings, is the envy of other countries. Goldsmiths and silversmiths have been working here for over 200 years and the tradition of manufacturing continues today.

The Quarter contains Europe's largest concentration of manufacturing jewellers, between them producing more than 40% of UK jewellery output. Combining the very best of traditional craftsmanship with innovative designs and high-quality materials, they create beautifully crafted custom jewellery.

Bespoke gifts can be commissioned on site with huge savings on high street prices – whether you're looking for the perfect ring for a proposal or beautiful earrings to celebrate a special occasion.

As the home of over 150 independent specialist retailers and craftspeople, the area is a fantastic place to explore. Nestled in amongst these businesses is also the Quarter's non-jewellery independents ranging from drinks merchants, florists, chocolatiers and home furnishings.

Enjoy browsing through this guide to help you plan your next visit to the area. For more information, please visit the website www.jewelleryquarter.net

WELCOME TO THE QUARTER

When most people visit the Jewellery Quarter they look for the recognisable green Chamberlain Clock. This famous landmark was erected in 1903 to commemorate Joseph Chamberlain's visit to South Africa as Colonial Secretary.

Chamberlain was Mayor of Birmingham between 1873 and 1876 and a Member of Parliament from 1876 to his death in 1914.

Most of our Jewellery retailers are situated in the historic streets surrounding the clock, with a variety of retailers spanning the width of the Jewellery Quarter. We hope you enjoy exploring our streets, paved with years of industrial history and unique items to browse and buy.

Visit our website for more information: www.jewelleryquarter.net

Jewellery *Makers & Shops*

No matter what your style or the occasion you're sure to find something special here in the JQ - after all it's what our area is famous for! The streets are brimming with retailers and studios selling everything from unique antique jewels to bespoke handcrafted pieces. Whether it's a traditional or contemporary style, the friendly family-run businesses will help you to buy a piece of jewellery you'll treasure forever.

How to get here

BY TRAIN / TRAM

The Jewellery Quarter has a dedicated station (JEQ) on Vyse Street. Trains run approximately every 10 minutes and the stop is connected to major towns and cities in the UK including London and Solihull.

Midland Metro services operate at frequent intervals. A one-way trip from New Street station (7-minute journey) only costs a £1 for adults and 50p for children.

BY BUS

The Jewellery Quarter is accessible from the city centre via the following routes – 8A, 8C and 101 (stops closest to Warstone Lane) and 16, 74, and 75 (stops on Great Hampton Street). Visit National Express West Midlands website for up-to-date timetables.

ON FOOT OR CYCLE

From the city centre (New Street Station), it is a 20 minute walk (see pink route).

Birmingham's canal ways provide the perfect route for cycling – please visit the Canal and River Trust website to view the cycling route through the Jewellery Quarter.

BY CAR

The Jewellery Quarter is well-signposted from the city centre, look out for the brown tourist signs on all major routes. From the north-west / north-east – take the M6, or M1. From the south-west / south-east – take the M40 or M5.

PARKING

A multi-storey car park is located on Vyse Street (Birmingham City Council) and Newhall Street (NCP). On-street parking is also available.
