SUPPORTING ROUGH SLEEPERS IN BIRMINGHAM

The trail will also take you to Birmingham's only Banksy, a mural highlighting homelessness across Birmingham. This year, our trail will be raising money for Change into Action.

Change into Action is an alternative giving scheme supporting specialist charities and street teams working to change the circumstances of rough sleepers. Every window within the trail will have a QR code that will link to our JustGiving page, allowing you to donate, if you're able to, or you can scan the code below.

BIRMINGHAM'S WINTER WONDERLAND

Whilst walking the window trail, you'll discover a unique community of designers, makers and independent retailers nestled amongst over 200 listed buildings. A place of making since the 18th century, the Quarter is a vibrant and bustling place to visit at Christmas.

With over 150 independent retailers, including jewellers, chocolatiers, and whisky shops, the Jewellery Quarter makes the ideal shopping destination for those unique Christmas gifts. And with bars, micro-breweries and traditional pubs mixing with street food cafes and fine dining restaurants, it's also that perfect brunch stop or alternative night out.

Of an evening, the Jewellery Quarter lights up with more than 100 jewellery themed Christmas lights on the lampposts and two Christmas trees towering to 30 feet. With an illuminated diamond ring and hanging lights on the Golden Square, the Quarter is a true winter wonderland to explore.
