

BID Map

JQBID Area 2022-2027

The Jewellery Quarter BID area has been slightly expanded for its third term to reflect the area designated by the Jewellery Quarter Neighbourhood Plan, which has defined the natural footprint of the JQ. This slight increase will now incorporate both sides of Constitution Hill. This route is a key gateway to the Jewellery Quarter and we should be delivering the best experience to visitors as soon as they arrive. Please see the map for further details.
