BIRMINGHAM'S WINTER WONDERLAND

Whilst walking the Advent Trail, you'll discover a unique community of designers, makers and independent retailers nestled amongst over 200 listed buildings. A place of making since the 18th century, the Quarter is a vibrant and bustling place to visit at Christmas.

With over 150 independent retailers, including jewellers, chocolatiers, gifts, food and drink, the Jewellery Quarter makes the ideal shopping destination for those unique Christmas gifts. And with bars, micro-breweries and traditional pubs mixing with street food cafés and fine dining restaurants, it's also that perfect brunch stop or alternative night out.

At night, the Jewellery Quarter lights up with more than 100 jewellery themed Christmas lights on the lamp posts and two Christmas trees towering to 30 feet. With an illuminated diamond ring and hanging lights on the Golden Square, the Quarter is a true winter wonderland to explore.

The Jewellery Quarter Business Improvement District (JQBID) is funded by local businesses and helps to provide a safe and welcoming environment for visitors. Raising the profile of this historic area, the JQBID run events throughout the year.
